

The submission checklist

Twelve checks to run before you submit a paper, in the order that saves rework. Each one names the tool that does it.

-
- ☐ **1 Compile cleanly**
From a clean build, with no errors and no overfull boxes in the margins.
LaTeX to PDF: purplelink.llc/tools/latex-to-pdf/
 -
 - ☐ **2 Validate the bibliography**
Syntax errors, missing required fields, duplicate keys.
BibTeX Validator: purplelink.llc/tools/bib-validator/
 -
 - ☐ **3 Confirm every reference exists**
Resolve each DOI and match titles against CrossRef. This is where fabricated or mistyped references show up.
BibTeX Validator with the CrossRef check: purplelink.llc/tools/bib-validator/
 -
 - ☐ **4 Check the word and page limits**
With and without references and appendices, as the venue counts them.
Word Counter: purplelink.llc/tools/word-counter/
 -
 - ☐ **5 Match the venue's template and reference style**
The right document class and bibliography style, and references converted to the format the venue wants.
LaTeX templates by venue: purplelink.llc/templates/ Reference Converter: purplelink.llc/tools/reference-converter/
 -
 - ☐ **6 Check the figures**
Readable axis labels, no broken or truncated scales, a colour-blind-safe palette, fonts embedded in the PDF.
What reviewers look for in figures: purplelink.llc/guides/why-it-matters/figure-presentation/
 -
 - ☐ **7 Check the methods against the claims**
Claims the data can't carry, missing baselines or ablations, sample-size justification, multiple comparisons.
Paper Review: purplelink.llc/tools/paper-review/
 -
 - ☐ **8 Look for missing related work**
Prior work a reviewer in your area will expect to see cited.
Citation Gap Analysis: purplelink.llc/tools/citation-gap/
 -
 - ☐ **9 Anonymize for double-blind review**
Names, institutions, funding, IRB numbers, "in our previous work", author-owned URLs, and the PDF's own metadata.
Anonymity Check: purplelink.llc/tools/anonymity-check/
 -
 - ☐ **10 Write the cover letter**
The contribution, why this journal, and the originality statement, in under a page.
Cover Letter: purplelink.llc/tools/cover-letter/
 -
 - ☐ **11 Prepare the submission files**
Final PDF, source files if the venue asks for them, supplementary material, and a data availability statement.
Camera-ready checklist: purplelink.llc/guides/camera-ready-checklist/
 -
 - ☐ **12 Record the submission**
Venue, date and manuscript ID, so the decision, the revision deadline and your CV stay in one place.
Vitae for Mac: purplelink.llc/vitae/
-
